In the Blink of an Eye

They tell us, "Enjoy these four years while they last, because they go by too fast." But we don't believe them, and we let the little details pass us by without noticing them. Before we know it, the four years have come and gone. We will always have the memories of our time as Knights, and the freeze frame moments in the yearbook capture our fun times, hard work, struggles, and triumphs at Marian. Years from now, opening this yearbook will halt the passage of time through the snippets of memory, the flashes of familiar faces, and the slow motion replay of these days that pass so quickly. It seems that in the time it takes to turn these pages, our time as Knights has passed by as well. . . so keep your eyes open, take it all in, because everything passes. . .

In the Blink of an Eye.

Gazing on Good Works

Marian students looked around them and found a multitude of opportunities for service throughout the year. Month after month, different groups and clubs volunteered their time and energy to assist worthy causes in the community while enriching their own lives in the process. The Crop Walk, the Walk for Hospice, Toys for Tots, a special "Senior Prom" and the Gift Lift were only a few examples of service projects undertaken by the Marian student body.

All Eyes on School Spirit

This year's pep rallies were visited by many celebrities, including Michael Jackson, rap stars, Greek gods, and NBA players. Along with the cheerleaders and poms, they got the crowd pumped. Students got into the "spirit" of Spirit Week by dressing in the themes of Hat Day, Twin/Teacher Day, and Class Color Day. The annual pep rally was dedicated to a dear friend, Eric Henry, aka Hanky-du. Spirit Week ended on a successful note as the boys' basketball team defeated the LaSalle Lions on Senior night. From “See” to Shining “See”

The annual Marian/St. Joe auction was a great success this year. After September 11th, the theme was changed to “America the Beautiful.” The decorations were amazing! Each booth was set up to represent regions of the United States. The auction items ranged from gift certificates to a DVD and original script of *Good Will Hunting* signed by Ben Affleck and Matt Damon. As always, the art students from both schools painted chairs, tables, and stools that were extremely popular. Students from both schools participated by donating gifts, serving dinner, and helping with setup and teardown. The auction was a huge success and many thanks go out to all those who were involved.

“I Ne’er Saw True Beauty Till This Night!”

Marian’s Drama Department lit up the fall sky with a dazzling theater-in-the-round production of Shakespeare’s *Romeo and Juliet*. Starring Nick Chapleau and Adrienne Szymanski as the star-crossed lovers, the play featured intense sword fights, romantic interludes, and colorful medieval costumes (including men in tights). Comic relief was provided by Carly Vandewalle as the exasperating nurse, while John Masters and Lisa Goepfrich portrayed Lord and Lady Capulet. Directed by Mrs. Ashley Bennett, the innovative presentation was a refreshing trip back in time to the tragic love story whose luster never dims.

A Glimpse of Stocking

The Marian Drama Department set sail on an uproarious adventure with their outstanding production of *Anything Goes*. The Cole Porter songs combined with exuberant dancing, sparkling costumes, and a hilarious plot to deliver a splendid spring musical. Starring Kevin Block, Deirdre O'Rourke, Kathleen Pendergast, Conrad Brammer, and Carly Vandewalle, along with a large enthusiastic cast and crew under the direction of Mrs. Ashley Bennett, *Anything Goes* provided a rollicking good time cruise for everyone.

Seeing Stars Over Paris

On the evening of May 17th, Century Center became a "Soiree in Paris" as the juniors, seniors, and guests dined and danced the night away. After being attacked by the flashes of their parents' cameras, the knights, decked out in tuxedos and glittery dresses, arrived in "Paris" and strolled by the Moulin Rouge. The night was topped off for many at Chippewa Bowl and the After Prom Party.

Seeing the Light at the End of the Tunnel

Once again, the seniors participated in many culminating activities. These events included their retreats and their service day during which they went to individual parishes in our area and worked for the churches. After a mass in the cafeteria, they enjoyed each other's company at a breakfast given by the senior parents. At the end of the year, the seniors had a choice between going to a Cubs game or to Navy Pier as their class trip. On the last day of school the seniors also had a traditional cook out in senior parking lot. All in all, the seniors had a fun and exciting year.

Envisioning Our Futures

The commencement for the class of 2002 is one that will never be forgotten. The speech by Mr. Rosenthal taught our seniors about the 7 C's of success. The speeches by Carly Vandewalle, Joe Donnelly, and Brianne Hess provided inspiration for the future and memories from the past. Though some tears were shed, this night will be recalled with smiles.

Seeing Jesus in Every Face

This year, faith at Marian High School has flourished. We finally have our own priest, Fr. Dan Scheidt, who has been a special blessing. He was ordained in November, 2001 and has been teaching a Junior and a Freshman class. With the death of Eric Henry, we learned to depend on God and trust that it is all part of His plan for us. Through retreats we have grown even more. Mrs. Miller, director of Campus Ministry, worked hard to provide a fun yet enhancing experience for all the students. Bishop D'Arcy made his annual visit. He said mass, visited our classes and even talked with a select group of students to find out what we wanted to improve and what we really liked about Marian. A big thanks to everyone who has worked so hard to make Marian such a great place to learn and to grow in our faith.

Looking Through the Microscope

As you walked up and down the hallways , you knew right away that it was dissection time again. This somewhat smelly annual project was just one of the many activities happening in the science labs at Marian this year. From Swamp Stomp to the Brookfield Zoo, there was never a dull moment.

Searching for the Answer

This year our math department taught us many skills that we will never forget. From the dreaded geometry proofs to factoring, these are the class periods that we will always remember. You could definitely count on catching up with friends while still learning in our fun and challenging math classes.

Sight Seeing

The Foreign Language Department offers us a chance to see and explore other countries of the world. The Spanish classes ventured to Chicago and Valparaiso to experience the Mexican and Spanish cultures. The French classes have also been busy. With trips to Chicago, local French plays, and the Snite museum, they have learned about France and its past without even paying for a plane ticket. The German classes also made the trip to Chicago, and they had an imaginary adventure to a German restaurant when they cooked their own food. The Latin classes travel back in time through their study of the ancient language.

Envisioning God's Plan

The Theology classes have taught us to see Jesus in every person and follow in his footsteps. The Theology program takes us from the foundations of our faith, to the study of the Bible, to applying the lessons to real life situations. The seniors choose their own classes in preparation for the many choices, moral conflicts and value judgements they will face in their futures. During our four years of studying God's Word, we can start on our journey through life with a better understanding of His plan for us.

To See or Not to See

The Marian Language Arts teachers have done good. Weather you are giving speeches, researching for "The Paper," or trying to comprehanmd Shakespjere. Our teachers are the better! Watching *Saved by The Bell*, actually behaving during the week before play, discussing last night's baseball game, and having pictures taken while we catch up on some Zzzz's are all part of the everyday life in Marian English classes. Eye Catching Creations

Student artwork is visible throughout Marian - in the hallways, on the library walls, and even at the jubilee auction, attracting high bids. The talented art students can explore their creativity through a variety of media from photography to pottery. Even students who nervously entered their first art class have produced paintings, pots, and photographs worthy of display, instead of the bottom of their locker.

Hungry Eyes

Despite the occasional smell of smoke, the Family & Consumer Science classes were busy baking delicious foods. They learned about nutrition, meal planning, and shopping on a budget. Groups chose cuisines from different countries and prepared Italian, French, Irish and other international meals for their classmates. At the same time, the sewing classes worked hard creating new fashions. In addition to pajama pants, shorts, and sundresses, favorite projects were pillows, keepsake quilts, and special evening bags for prom.

A Healthy Outlook on Life

Rollerskating, tennis, weightlifting...gym class was full of fun as well as healthy activities. Health and Phys. Ed. classes prepared us for an active lifestyle with healthy habits. These classes will contribute to the quality of our lives long after we have forgotten geometry formulas and foreign language verb tenses.

Eyes on the World

Entering a social studies class, you can always count on an interesting and fun experience. The teachers never let you leave a class without learning a new fun fact about history or about different places in the world. No one will ever forget anything that he or she learned in the "Bible" aka *These United States*.

Seeing Our Future Come Alive in Technology

Computer and business classes have taught us a lot about how our technology can come alive in our everyday life. From basic typing, to learning how to balance a checkbook, to using a spreadsheet, to understanding web pages, we learn essential skills to use in the future. We are prepared to enter the world and the workplace being knowledgeable in many areas of computer technology.

Members of National Honor Society were the "cream" of Marian's student "crop," meeting high standards of scholarship, character, and service. Members contributed to Marian and the larger community in many ways including providing tutoring for their schoolmates, organizing and working at the annual Marian Open House, ringing bells for the Salvation Army, and playing bingo with the Sisters of St. Francis. NHS truly encouraged its members to rise to the heights of leadership. National Honor Society is sponsored by Mr. Piechnik and Mrs. Switzer.

Every year Notre Dame holds a Science Fair for all area students. Many Marian Knights were chosen to compete there. They represented our school well with their inventive ideas. Competitors were seniors Julianne Miller, Brianne Hess, and Joe Donnelly; juniors Candace Doriot, Jimmy Bettcher, and Tony Cunningham; freshmen Kris Priemer and Beth Eide. Some students also participated in the Science Olympiad. Kris Priemer, David Harker, and Michael Minelli won medals at that competition. Mr. Andrzejewski sponsors these activities.

e n d u r i n g FREEDOM

Tuesday, September 11, 2001, will be remembered as a tragic day that changed the world. That morning, a plot, masterminded by terrorist Osama bin Laden and the al-Qaeda network, was put into action. Two hijacked commercial airliners were flown into New York City's World Trade Center Towers, ultimately causing their collapse. Immediately following the incident, another hijacked airliner crashed into one side of the Pentagon in Washington, D.C, and a fourth plane crashed in Pennsylvania. Thousands of lives were lost, citizens were terrified and the world was in shock.

Following that mournful day the United States experienced anthrax scares, continued security threats and the reality of war. Despite the horror, fear and heartache, U.S. citizens united and their patriotic spirit soared. President Bush promised: "We will not tire, we will not falter, we will not fail." Through that statement and the remarkable sense of national pride exuded by U.S. citizens, it became evident that no threat, great or small, could deter the United States resolve for enduring freedom.

Ailing airlines urge citizens to defy terrorists' attempts to disrupt lives by reboarding airplanes.

Thousands of people world-wide donate blood and volunteer their services to aid U.S. recovery.

An overwhelming spirit of unity and national pride arises out of the smoldering ashes and human devastation from the September 11 attacks on the United States.

The Spanish Club's first charitable activity of the year is traditionally the Hospice Walk. All of the Marian foreign language clubs get together and donate a substantial sum to help meet the needs of the Hospice organization. In December, they celebrated the spirit of the holiday season by "adopting" a needy Hispanic family for whom they collect, wrap, and deliver gifts. The generosity of the club members was truly outstanding. They also participated in an annual cultural activity with their trip to Don Quijote, a Mexican restaurant in Valparaiso. They enjoyed the authentic food as well as the music and dance provided for their entertainment as spectators and participants. The Spanish Club is sponsored by Mrs. Lindborg.

Don't Stand and Watch---Take Action...

The Junior Civitans were incredibly busy this year with community involvement. Starting this year, in order to be in Junior Civitans, each student is required to do ten hours of community service every month. In the fall, students joined members of the South Bend Civitan group working in the Notre Dame concession stands. In the winter, the project was the "Gift Lift." Students could pick up a bell that specified what type of gift to buy. The gifts were then delivered to local nursing and children's homes. In the spring, Junior Civitans gathered at the Knights of Columbus Hall with Senior Citizens from local nursing homes for the first annual "Senior Prom." Only positive comments were expressed by the students who had as much fun as the adults. The Junior Civitans are also sponsoring a Habitat for Humanity house which will be built with students from other local high school in July. Lastly, after five years of hard work, Marian students reached the goal of the million pop tab club.

Seeing Things Clearly

The SADD Club had another very successful year. Led by their sponsor, Mrs. Robinson, they were involved in many charitable activities. Fundraisers such as the lock-in, after prom, and many more were ways they strove to help out anyone that they can in our Marian community, and once again they have succeeded. In the future, they will continue their work and serve the needs they see around them as they fight against destructive decisions.

A Twinkling Outlook

STARS had another helpful year. They participated in fundraisers such as Stuff the Truck for St. Vincent DePaul, Wag-A-Long for Logan Center, carolling, and making gifts for the teachers. They are always trying to get involved in our community to help in any way that they can as they do every year, and this year was no exception. In years to come, they will continue with their good deeds and their role in helping our community. Led by Mrs. Coglianese, the group lived up to its name, "Students Taking Action to Reduce Stress."

Scanning the Stage

The Thespian Society members continued their theater exploits with their participation in this year's productions of *Romeo and Juliet* and *Anything Goes*. Mrs. Bennett, the director of both of these performances, was also Thespian Society sponsor. Many Thespians also performed at the Fine Arts Festival. The returning members are excited about next year and the opportunity to light up the stage again.

The Mock Trial team pictured at the bottom of the page qualified at a local Regional to advance to the State competition. While at state, Carly was once again awarded best attorney, and the team placed in the top ten. Congratulations to the Mock Trial team!

The Skier Never Blinks

With a new and energetic advisor, Miss Yoder, Ski Club was a huge success this year. Every Thursday night a bus of Marian students took control of the slopes at Swiss Valley. Sideslipping and snowplowing their way through the season, the Ski Club thoroughly enjoyed their downhill racing.

Gleams of School Pride

Pep Rallies this year have set a standard for the years to follow. The Pep Club worked hard to come up with creative ways to pump up the Marian spirit. With the appearances of notorious rap stars and Michael Jackson, they hit the spot. They even touched the hearts of the Marian Community with a tribute to Eric Henry. Miss Calhoun was the Pep Club sponsor.

Seeing the Value of Every Life

This year's Right to Life group met every other week in the mornings to discuss important issues that are facing our community such as abortions and the death penalty. They were also able to visit Washington D. C. and join in the Right to Life march. Three people from our Marian family were able to go: Miss Bollman, Joe Humberger, and Attila Valentiny. They were able to walk the streets of D.C. and voice their opinions with signs and rosaries. In the upcoming years, they hope to increase in numbers and support.

Showing God to All

This year ACTS or the "A Chance To Serve" group did another outstanding job. Under Mrs. Miller's excellent direction, every mass ran smoothly. Without her, our masses might be chaos so a big thanks to her and everyone involved in our well planned and orchestrated masses which give us a chance to worship God at school.

A Lance Glance

Under the dynamic leadership of its new editor, junior Jason Cytacki, *The Lance* took on an updated look, a new masthead, and a news magazine format. Featuring movie, music, and book reviews as well as humor and viewpoints, *The Lance* was published each quarter with an additional special senior issue published at the end of the school year. Students responded favorably to the interesting articles, graphics, and surveys. In order to become involved in Marian's charitable work, *The Lance* staff decided to sell and publish Valentine greetings with the proceeds going to the National Breast Cancer Research Foundation. They hoped to make the greeting sale an annual event for fun and to benefit a good cause.

Government Oversight

If there is ever a problem or a suggestion to be made, any student can go to a member of the student council. No matter what the problem, they are always willing to help in any way that they can. They are not just concerned with in-school problems, however. They are also the ones who organize the food drive that we have every year. Student Council also serves a teacher appreciation breakfast plus they make our school announcements each morning. With their helpfulness and dedication, our elected student leaders continue steering Marian in the direction of excellence.

The boys' Varsity Soccer Team finished the season with a respectable 12-3-2 record with satisfying wins over Penn and Merrillville. The Girls' Soccer Team finished their season with a 10-6-0 record. They were led by seniors Lindsey Cavanaugh, Mary Concannon, Carrie Dvorak, Erika Patterson, Annie Schoenle, Johanna Stratigos, and Brittney White. Their coach, Rob Hosinski said this about the team: "They worked hard every day, were mentally tough and played with a confidence that only champions illustrate."

Their Trail Ablaze

Senior runner Nick DeVreese led the boys' cross country team to a successful season this year, with the help of seniors Mike Wilson, Joe Donnelly, Geoff Schultz, and junior Gabe Masterson. The boys' team finished 6th at sectionals, and the highlight of the year was when the team placed 3rd at the Manual Invitational. The boys' team looks to have another strong year with most of the members returning.

A Clear Vision of the Path

The girls' cross country team had a great season proving that they could run with some of the best teams in the state. They finished 3rd at sectionals, the highest placing ever for a Marian girls' cross country team. At regionals, they finished 8th. Captains Kelly Fransted and Melissa Delahanty will be returning next year with hopes that the remaining team will return and go further toward even more successes.

A View to a Kill

The volleyball team had yet another outstanding season finishing with a record of 26-4. A decisive win against St. Joe clenched the sectional title for the 3rd year in a row. Unfortunately, they suffered a heartbreaking loss to Fort Wayne Bishop Luers for the regional title. Although seniors Katie Krisch, Julianne Miller, Nicole Sherbun, Melissa Bauters, Sarah Borkowski, and Colleen Bormann will be missed, the Junior Varsity and Freshmen players are confident that they can fill those big shoes.

Through the Eyes of Spirit

This year's cheerleading squad was the biggest Marian has seen in years. The girls were full of energy and smiles to get the crowd riled up during the games. This close knit group loved being together. They won 2nd place large varsity at the St. Joe County competition. The girls also held a kiddie-camp and a winter spirit camp along with the Poms. The squad said goodbye to three seniors: Ashley Herczeg, Sarah Molnar, and Amanda Dietrich. We had A great year.

Knights' Eyes are Smiling

This year's football team made it to the Sectional Finals game for the third time in four years. Unfortunately, they suffered a loss to Northwood, but that couldn't take away from their outstanding season. Their finish was a record of 7-5 with four school records broken by Josh Hackett and one record broken by Conrad Brammer. Great season, Knights!

Vision of the Hoop

The girls' basketball team had another great year. They finished with a record of 11-10. They rallied under new head coach Aldridge and senior Amanda Geels to come up with a winning season. Though they lost the first game of Sectionals, they still had an outstanding year. Losing only one senior, though she will be hard to replace, the team is looking forward to an even more exciting season next year.

Focus on the Shot

The boys' basketball team had a good season. They finished with a record of 11-11. The team was full of seniors and expected an outstanding season. They achieved that goal with their losses coming to top ranked teams who had awesome records. The underclassmen will be looking to step up, take the ball next year, and come out on top.

Eyes Wide Open, We Dive In

The Varsity swim team had another awesome season! They were Sectional Runners-up and finished with a record of 8-2. They also qualified five swimmers for the state finals in Indianapolis! The girls include Jenny Korzan, Lauren Pyszka, Candace Doriot, and Cecily Brasseur for the 200 Medley Relay. Candace Doriot also qualified for the 100 Breast and Lauren Pyszka in the 100 Butterfly and Backstroke. Shining in the Knight Sky

The Poms worked really hard this year at practice and competitions. As a result of their hard work, they won first place at this year's City Competition defeating many excellent teams from around the area. They added lots of enthusiasm to our Pep Rallies. We are all very proud and will miss our seniors, Jenny Nugent, Brittany Riblet, Jenny Mathews, and Kelly Gnivecki.

Sectional Outlook

The boys' tennis team had another successful season. Finishing with a record of 11-3 and a fourth consecutive sectional championship, the boys had much to be proud of. Besides the sectional win, they also took home first place in the Concord Invitational, and the JV won the Penn Invitational. Mitch Mathews and Kevin Stanley were named 1st team All-state doubles team for the second year. Congratulation on another awesome year!

Insight to an Ace

What was supposed to be a rebuilding year for the Lady Knights' Tennis Team, turned out to be one of their best seasons. Under the direction of first year coach Ryan Beigle and led by the #1 doubles team of seniors Katie Haizlip and Meghan Krause, the team had a record of 11-3. A major highlight was when the team beat St. Joe. The JV went undefeated.

Things Are Looking Up

The Class of 2005 saw Marian through "fresh" eyes. Freshman hall echoed with the new voices and views of this most recent group of Knights. As the Freshmen looked up to the classes preceding them, they could hardly believe that they had left grade school behind, and had joined the whirl of high school academics and activities. Things were certainly looking up for the Freshmen.

Setting Their Sights

Having taken another step up the Marian ladder, the Sophomores were directing their gazes toward the upperclassmen as they settled into their niche as an integral part of classes, teams, clubs, and service organizations. The Class of 2004 faced diverse experiences from the special responsibility of completing the ISTEP graduation exam to wrestling with that first research paper. Sophomores could definitely see their future taking shape.

Seeing the Future

Junior year was the time to plan for the future. Picking classes, looking at colleges, and even considering future careers were all things the Junior class did as the months rolled along. Next year, the class of 2003 will take over Senior hallway, Senior parking lot, and most importantly will set the standard for years to come. The Juniors were certainly ready to take the next step, and the future looked bright for 2003!

Class of 2002 - We Look to You!

The odyssey of the senior class was fraught with shocks and sorrows which colored their final year at Marian. Despite shadows cast by the war on terrorism and by personal griefs, the seniors experienced the joys of leading the school and setting an example of dedication for the underclassmen to follow. Their maturity and solid preparation were repeatedly demonstrated as they moved purposefully toward graduation. In the words of spirit shirts sported by many class members, these 2002 grads were "Absolute Senior!"

We Will Miss You, Hankydu!

This page is dedicated to the
memories shared with Eric Henry

"Forever"

Some people come into
our lives and quickly go.
Some people move our souls to
dance. They awaken us to new
understandings with the passing
whisper of their wisdom and
make the sky more beautiful to
gaze upon. Some people stay in
our lives awhile, leave footprints
in our hearts, and we are never
the same.

It hasn't been easy, but the yearbook is done! After many summer days spent in the frigid Marian library the final page is being completed. First a big thanks goes out to Mrs. Conn, the advisor, who spent all those days with us in the library. Your work is truly appreciated! Also we would like to thank Mrs. Moretti for always smiling when we would ask her for the library key. Mrs. Dance, we could not have done this without you either. Whenever we had a page in need of help, you were always there with a picture. Thanks to Michelle Barany who smiled and nodded anytime we told her about our crazy work marathons that would start at 8:00 a.m. Mr. Brettnacher, thank you for being so understanding every time we missed a deadline and providing an encouraging word. Lastly, we need to express a special thank you to our parents and friends for putting up with our crazy schedules and listening to us complain about anything and everything that went wrong.

Looking forward to another year,

Allison Krisch

Mary Barrett

I just want to thank Mary Barrett for all the hard work that she put into this yearbook and for working around my sometimes nuts schedule so that we could work together. I also want to thank her for the snacks she provided at each session to keep up my energy and for keeping me sane during this stressful time.

Allison, you have been my life saver this spring. I know if it wasn't for you, this yearbook would not be done until October. Thank you for putting up with my craziness... and my singing. I hope your ears will survive. I have had a lot of fun working on this with you and know that next year will be even better!

"May the road rise to
meet you. May the wind be
always at your back. May the
sun shine warm upon your face.
And may rains fall soft upon
your fields, and until we meet
again, may God keep you in the
hollow of His hand.

~Irish Blessing

"Best friends are siblings
God forgot to give us."

"Sometimes, in our lives
we all have pain, we all have
sorrow.

But, if we are wise, we know
that there's always tomorrow."

~Bill Withers

Another turning point a
fork stuck in the road,
Time grabs you by the wrist
directs you where to go.
So make the best test and don't
ask me why,
It's not a question but a lesson
learned in time.

~Green Day
